

Special Features: Student-centered academic philosophy. Unique major/minor combinations (i.e. aviation and business, equestrian studies, nursing, and biology), combined with our tradition of interpersonal learning and mentoring make Averett the place for hands-on learning opportunities. Programs for traditional-aged students and working professionals of all ages support our mission of preparing students to serve and lead as catalysts for positive change.

Campus Setting: Our main campus is in historic Danville, Virginia, a riverside city surrounded by countryside. Attractions include lakes, parks, museums, arts and cultural centers, minor league sports and NASCAR racing. We also offer a hands-on, classroom experience for working professionals at 4 locations around Virginia as well as online.
